CHECKLIST

Requesting Water at a Greek Restaurant

- [ ] Ask for tap water when the server greets you or takes the first drink order
- [ ] Leave bottled water unopened if you prefer tap water instead
- [ ] Use either English or the Greek phrase to make the request
- [ ] Signal for a refill when the jug is half empty during busy service
- [ ] Confirm your preference early when dining with a group
- [ ] Request water immediately if thirsty rather than waiting for the full drinks order
- [ ] Raise a hand to catch the server's attention if refills do not arrive automatically
