CHECKLIST

Greek Coffee Ordering Checklist

- [ ] Confirm the menu lists ellinikos kafes or Greek coffee
- [ ] Decide between sketos, metrios or glykos before the server arrives
- [ ] State your level clearly when ordering
- [ ] Wait for the grounds to settle before drinking
- [ ] Sip the water between tastes of coffee
- [ ] Stop drinking before the sediment reaches your mouth
- [ ] Order a new cup if the sweetness level is wrong
- [ ] Serve Greek coffee after the meal, not during it
