

CHECKLIST

Tourist trap Greek restaurant warning checklist

- ☐ Check the restaurant's location relative to major landmarks or transport hubs

- ☐ Count the pages in the menu and note whether dishes have photographs

- ☐ Compare prices of fish, meat and vegetable dishes for unusual uniformity

- ☐ Observe what staff wear and whether they speak Greek to each other

- ☐ Listen to background music volume and whether it allows comfortable conversation

- ☐ Read the menu for cover charges and automatic service fees before sitting down

- ☐ Watch how other tables are served and whether dishes arrive simultaneously
